

The Beech Tree

Friends of Bluestone

Welcome Our New Program Director Sarah Specht

Hello, Beech Tree readers! My name is Sarah Specht (pictured in the middle with Nicole and Teygan) and as many of you may already know, I've been hired by Presbytery to be the Program Director at Bluestone. With this position comes two main objectives: 1) I have my hand in all things program related -- retreats, summer curriculum, getting volunteers, etc. -- and 2) getting more kids to camp!

With that being said I have two exciting announcements.

First, May 4 - 6 will be **Bluestone's First Alumni Spring Getaway**. When was the last time to you came to Bluestone? When was the last time you shared camp stories with your old camping buddies? And when was the last time you introduced camp to a friend or family member? We want campers, staff and Bluestone lovers from 1953 to present to join us in remembering our past, while passing the tradition of camp to future generations. Did summer camp have an impact on your life? If so, come and share your story with us – we can't wait to catch up!!

Second, **Summer Camp will be here before you know it**. Bluestone offers 4 weeks of summer camp and it would be amazing if we could fill each of those weeks to capacity. My home church sends 40+ kids to camp every year and I'd love the chance to talk to your congregation about how we do it.

If you would like to help meet my goal of filling up camp please email me at sarah@bluestonecamp.com and we will set up a meeting.

Thank you for loving Bluestone and wanting the best for the camp's future.

Yours truly,

Sarah
